Comet Elenin

by Paul Jablonowski

June 12, 2011

I don't have the full understanding of this sign, but I do believe it is connected with the land of Israel and the Gentile nations' treatment of God's timepiece in Jerusalem. Every time this Elenin object aligns with the sun and the earth, major earthquakes have occurred including: the 8.8 Chili earthquake on February 27, 2010, the 7.2 New Zealand earthquake on September 4, 2010, and the 9.0 Japan earthquake on March 11, 2011. For the full explanation, watch this [ELENIN, Planet X Nibiru](#) video which uses NASA's Jet Propulsion Laboratory model for Comet Elenin to show these alignments ⁽²⁾. The magnetic forces of these alignments effect the earth similar to how the moon effects the ocean tides. However, the closest alignment of these objects is still yet to occur around the Feast of Trumpets (Rosh Hashanah) this year during the last week of September. Also, ELENIN makes its closest approach to earth during the Feast of Tabernacles in mid October of this year 2011.

What kind of earth changes can we expect when Elenin aligns five times closer to earth than it was during the Japan earthquake alignment? There are already plans within the US government and the UN to declare a Palestinian state without concern for the safety of Israel this September ⁽³⁾. Not only are the heavenly objects aligning (which represent the arch angels of God and fallen angles of Satan), but the natural players regarding Israel are also aligning for some major shaking coming during this year's Fall Feasts of Messiah.

*"Behold the LORD makes the earth empty and makes it waste, distorts its surface and scatters abroad its inhabitants... the earth is also defiled under its inhabitants because they have transgressed the laws, changed the ordinance, and broken the everlasting covenant. Therefore the curse has devoured the earth, and those who dwell in it are desolate, Therefore the inhabitants of the earth are burned, and few men are left... It shall be like the shaking of an olive tree, like the gleaning of grapes when the vintage is done. **They shall lift up their voice, they shall sing; For the majesty of the LORD they shall cry aloud from the sea. Therefore glorify the LORD in the dawning light, The name of the LORD God of Israel in the coastlands of the sea. From the ends of the earth we have heard songs.**" (Isaiah 24)*

There are many scriptures like the one above which talk about the earth being shaken literally. But the answer to these shakings is not to get into fear, but to be filled with faith in Yahoshua (Jesus) the Messiah who is coming back to bring righteousness into our corrupt systems of government! The systems of man must first come down before the Kingdom of God can fully be established in the earth. This is why the apostles and prophets and saints rejoice when the Babylonian systems of the world fall (Rev. 18:20), because they know the New Jerusalem is about to be established in the earth! Notice the answer is also to SING and glorify the LORD. This is why I have combined this sign of ELENIN (which is nine-eleven spelled backwards) with the worship warfare strategy,

because praise and worship will help lessen the death toll through all of these end time events. Notice that ELE is also an acronym for "extinction level event." ⁽⁴⁾

"And there will be signs in the sun, in the moon, and in the stars: and upon the earth distress of nations, with perplexity; the sea and the waves roaring: Men's hearts failing them from fear, and the expectatioin of those things which are coming on the earth, for the powers of the heavens will be shaken. Then they will see the Son of Man coming in a cloud with power and great glory. Now when these things begin to happen, then look up and lift up your heads, because your redemption draws near." (Luke 21:25-28)

According to NASA's software ⁽²⁾, this ELENIN object will reach its closest distance to the sun on September 11, 2011, and it aligns with both the earth and sun around September 28, 2011 which happens to be the Feast of Trumpets (Rosh Hoshanah). My second son Stephen was born on September 11, 1999 which happened to be ON the Feast of Trumpets that year. I wrote about this sign and wonder in [chapters 9-11 in my book](#). I believe 9/11/1999 was the birth of God's "manchild" governemnt which is reaching the age of accountability (12 years old) this Feast of Trumpets! Perhaps this Elenin close encounter is part of the process in bringing about the LORD's righteous government upon the earth? The old is coming down, but the new is also beginning to take root.

The greatest days for the Bride body of Christ are just ahead! At the same time there is great darkness, there will also be great light, and the light of Christ will always outshine the darkness. This worship warfare is pressing into the Kingdom of God, which at the same time pushes out the evil principalities that have ruled the earth for six millennium. The result will be millions of people being harvested into the Kingdom of God, because the enemy cannot blind them anymore. The gray areas between darkness and light are being pressed out, and people must choose who they will serve.

*"Now therefore, **fear the LORD (Yahweh)**, serve Him in sincerity and in truth, and put away the gods which your fathers served on the other side of the River and in Egypt. Serve the LORD! And if it seems evil to you to serve Yahweh, choose for yourselves this day whom you will serve, whether the gods which your fathers served that were on the other side of the Euphrates, or the gods of the Amorites, in whose land you dwell. **But as for me and my house, we will serve Yahweh!**" (Joshua 24:14-15)*
