[I was very ill at the time these words were sent out and was off the net for two years and I did not see them. I phoned a South African Prophet and friend, Pieter Kirstein, last night, deeply troubled that many are not hearing and he sent them to me. It is now 2011 and we are so much closer..please ask the Lord to show you these things and to confirm them to your spirit. Do not allow fear, that is the enemies precise tactic! These things the Lord has known since before time was and He has a plan for His Beloveds-Dee Hoetmer]

Micah 7:4 ~ ".the day of thy watchmen and thy visitation cometh."

Luke 17:26 ~ "And as it was in the days of Noah, so shall it be also in the days of the Son of man."

In a vision, I was standing in a group of people. We were laughing and talking together. I sensed that the Lord was standing next to me.

"Child," I heard the Lord say to me, "what are you doing here?"

I was surprised by the Lord's question. "I am visiting with my friends," I replied.

"This is not what I have called you unto," the Lord said to me. "Why are you not up in the tower where I have called you to be?"

I saw that the Lord had turned from the group of people, and was pointing upwards. I looked up to where the Lord was pointing, and saw a very high tower.

"Because it's lonely in the tower," I said to the Lord.

"Return to where I have stationed you," the Lord commanded me.

I slowly began to climb my way back up into the high tower. When I arrived back into the tower, I saw that the entire tower was open on all sides and that I was able to look out easily into all directions.

I looked down and saw that the Lord was walking in and out of the crowds of people spread out below me. At intervals, He would stop and speak quietly to certain people. These people would then also separate themselves from the crowds and make their way to where the Lord would point for them to be.

I saw that some of the people were positioned on rooftops. Some were positioned on walls that ran around the perimeter of the city. Others were in groups of twos and were walking around the city together. Still others were also up in high towers such as the one I was in.

I then sensed the Lord's return next to me.

"Why am I here, Lord?" I asked.

"To keep watch," the Lord replied.

(Habakkuk 2:1-3 ~ " {1} I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me, and what I shall answer when I am reproved. {2} And the Lord answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it. {3} For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.")

So, I watched. For quite some time, I continued to watch. Yet, I saw nothing.

I noticed that the Lord was going from watchman to watchman, speaking to them. I saw that some of them had fallen asleep on their watch, and that the Lord appeared quite displeased by this.

(Isaiah 56:10 ~ "His watchmen are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber.")

Suddenly, I saw something bright falling from the heavens. When this brightness struck the earth, I saw what appeared to be a mist. From this mist sprang forth spirits, some type of angelic beings. Yet I felt tremendous and immense fear and unease as I viewed these spiritual beings.

(Luke 10:18 ~ "And he <Jesus> said unto them, I beheld Satan as lightning fall from heaven.")

Revelation 9:1-3 ~ " {1} And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. {2} And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. {3} And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power."

Revelation 16:14 ~ "For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty."

2 Corinthians 11:14 ~ "And no marvel; for Satan himself is transformed into an angel of light.")

"What is happening, Lord?" I asked the Lord. "What are these spiritual beings?"

"These are the fallen ones," the Lord replied. "This is the return of the Nephilim."

I had no idea what these words meant, yet was filled with absolute terror at what the Lord had just said to me.

I then saw more spiritual beings descending from the heavens. Yet, even though I was afraid when I saw them, it was not with the same terror I had felt upon seeing those to whom the Lord referred to as the Nephilim.

"Who are these beings, Lord?" I asked.

"These are the Watchers," the Lord replied. "The Holy Ones."

(Daniel 4: 13, 17 ~~ "{13} I saw in the visions of my head upon my bed, and, behold, a watcher and a holy one came down from heaven; {17} This matter is by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men.")

Hebrews 1:14 ~~ "Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?")

I watched from my place in the tower as the Nephilim entered into what appeared to be laboratories. I saw as the Nephilim stood side by side with what appeared to be doctors and whispered into the ears of the doctors. These doctors were conducting what appeared to be some type of complex experiments.

Here in the laboratories, I saw as what appeared to be humans were brought forth. Yet, something about these "humans" disturbed me greatly.

"What is transpiring here, Lord?" I asked the Lord. "Who are these people that are being brought forth?"

"These are the soul-less ones," the Lord replied.

I felt a chill settle upon me at the Lord's words.

"From the very beginning of time," the Lord said to me, "Satan has sought to insinuate himself into the bloodline of men. He sought to taint the bloodline through which Messiah would come. Satan did this to prevent the salvation of mankind."

(Genesis 3:15 ~~ "and I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.")

Genesis 6:2, 4 ~ " {2} .the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. {4} There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.")

"The world was filled with wickedness and the bloodline became corrupt through the fallen ones," the Lord said to me. "Until only one just and perfect man was left upon the face of the earth. Only his bloodline was free from any taint and blemish of the seed of the fallen ones. It was to be through the bloodline of Noah that My covenant would continue to be established. And it repented Me that I had made man, and it was determined to destroy man and the earth to free it from the taint of the fallen ones."

(Genesis 6:9, 17-18 ~ " {9}.Noah was a just man and perfect in his generations, and Noah walked with God. {17} And, behold, I, even I, do bring a flood of waters upon the earth, to destroy all flesh, wherein is the breath of life, from under heaven; and every thing that is in the earth shall die. {18} But with thee will I establish my covenant; and thou shalt come into the ark, thou, and thy sons, and thy wife, and thy sons' wives with thee.

Jude 6 ~ "And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.")

I then saw as the Nephilim aligned themselves with certain people, and merged themselves with these people. I saw as they revealed themselves to these people as angels of light, as spiritual guides. I then heard as these people began to proclaim and speak of new theories and discoveries with which to explain the mysteries of the past, as well as forthcoming discoveries of the future. And their words were greeted and welcomed and believed upon by many.

(Galatians 1:8 ~ "But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed.

2 Thessalonians 2:9-12 ~ " {9} Even him, whose coming is after the working of Satan with all power and signs and lying wonders, {10} And with all deceivableness of unrighteousness in them that perish: because they received not the love of the truth, that they might be saved. {11} And for this cause God shall send them strong delusion, that they should believe a lie: {12} That they all might be damned who believed not the truth, but had pleasure in unrighteousness."

1 Timothy 4:1 ~ "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils."

2 Timothy 4:4 ~ "And they shall turn away their ears from the truth, and shall be turned unto fables.")

"What is the purpose of these things?" I asked the Lord.

"This is a last effort waged by the enemy to destroy man's ability to receive salvation," the Lord explained to me. "The soul-less ones do not have the ability to become or to experience salvation; for they have no soul.

"Tell My children to watch, child," the Lord said unto me. "Tell them to allow nothing to deceive them."

"Who would believe these words, Lord?" I asked the Lord.

"Very few," the Lord replied. "The words you speak will sound foolish to many. Yet the warning given to them now will become a seed planted in their heart. These words will be remembered by them when the need arrives. Fear not, child, to speak what I command you to speak."

(Acts 18: 9-10 ~~ "{9} Then spake the Lord to Paul in the night by a vision, Be not afraid, but speak, and hold not thy peace: {10} For I am with thee, and no man shall set on thee to hurt thee: for I have much people in this city.")

#### Introduction:

I just read Holly Moody's vision and words and it was as if it lit a fire under me suddenly. I knew it was time to send this out. First, I shall explain the background leading up to me having the dream.

One evening while friends were over, we were discussing the UFO question. After lengthy discussion and our various thoughts on the subject, our evening ended. That night, I lay thinking about the conversation. This is when I asked God what Aliens and UFO's were. When I went to sleep that night, I had the most disturbing dream I have ever had, yet now, as time goes on, things seem to be lining up pretty much like the dream.

\*note\*

Some things in the following dream I am about to share, may be symbolic, however, I DO believe that the Lord

allowed me to know for the end times, the truth behind the UFO and Alien question. I believe it is time to start warning people of the dangers of believing a lie that may be near in coming upon the earth.

Also, the following dream was the only dream I have ever had that seemed to be in parts like chapters of a book. Because of this, I will refer to the different parts as numbered chapters. Also, I believe some of this was set in motion a long time ago and that some high officials already know some things that we don't know. Pray about it for yourself, however. But.....beware that this may become reality some day. Now...you have been told.

~~~~~

### Chapter 1:

It was a sunny day and the windows were open. I could hear the wind blowing, and the neighbors working outside. Suddenly I hear more voices than normal all talking outside. I looked out the window to see all the neighbor's gathering in the street and looking upward. I went outside to see what they were seeing. When I looked up, I saw many crafts flying over that made no noise. They were silently going over, and there were hundreds of them. They were triangular in shape from the bottom but made me think of pyramids. They were definitely not of this world.

### Chapter 2:

I am in the house now, listening to the radio and have the T.V. on also. There is an emergency break in all programs, and there is a special announcement. It went similar to this: "Everyone, we are told to not be alarmed and to stay in the houses. Close your doors and shades. We are being invaded by some unknown craft that appear not to be of this world. All world powers have joined together at this time to stand against whatever this is that has invaded our airspace. As soon as we know what is happening, we will keep you informed. Until then, stay calm as our government and many others are standing against any danger of attack."

I hear jets about the same time as the news flash so I go to the front yard, and look up again, and see America's armed forces jets flying around and circling these craft. There were various countries represented by other jets but I especially remember Russia's jets along side of our jets. (at the time of this dream, Russia was our #1 fear and enemy so this could symbolize our worst enemy becoming one during this time with us and others).

### Chapter 3:

It is night. My little family are sitting in front of the T.V. (President Carter was the president at the time). We hear news on the T.V. that the leader of this invasion has made contact and tells us that we were going to hear a recording of the voice of their leader speak. We heard in a very scratchy voice, "We have not come to do you harm. We have come in peace and desire to help mankind. We want to show you how to grow food on the

ocean floor, find cures for cancer and teach you how to travel without vehicles. We want to teach you to travel any place you desire to go with your mind. You will not see us as we really are, as it would frighten you. We will appear as human to you."

Then, on the T.V. there is President Carter shaking hands with this leader appearing as a man. (Carter was president at the time I dreamed this dream) There was a peace agreement made with the world, but we were shown the USA's agreement to turn all authority over to this invader. They signed this agreement and all watching on T.V. saw this take place. It was a big major event. I remember thinking at that moment that this was not right and there was something very wrong.

### Chapter 4:

I am standing in a church on the second row and am with some others. The church is nearly empty. There was not much interest in church anymore, I gathered, and I hadn't even been in a while, but I was there now. I heard the minister talking. "Listen people, don't believe what they are telling you. These aliens are NO friends. They are of the antichrist and He is here to take this world for himself and take your minds. The "Mind-control Centers" they have just built are NOT to help you travel with your mind. They are there to TAKE your mind. Yes. It is volunteer now and you can go if you want, but soon, it will no longer be YOUR choice but theirs and they will make you go to them. They are going to make it mandatory and any revolvers will be done away with.

This is the mark! It is to take your mind to where you have no control so he is in control of you! Don't take the mark! Don't go into these centers! Live for Jesus with all your heart and shun this or you will be lost for eternity!" I look around the church one more time, and note many many empty seats. I wondered, "Where are all the Christians?"

### Chapter 5:

I am hiding in the bushes with a friend to my right...my best friend. We are looking at a Pyramid shaped huge structure. We see a line of happy and excited people filing into the front entrance of this building. This is one of the mind-control centers. We watch them file in all happy, and then, we watch them file out the back as total zombies! It was true what all the minister had told us, we realize at that moment. We knew that their minds were being taken under the antichrist control and they were eternally lost now.

### Chapter 6:

It is dark. It is very dark and almost black. There is chaos! I am running and running, from tree to tree, building to building, any place I can, to try to hide. I am running because now I am thought to be a fugitive because I refused to go to their mind-control center. I see military police every where I look and aircraft, helicopters all over with spotlights, and some without spotlights, but no matter because they still seem to be able to see me. No matter where I go/run/hide, they find me. Suddenly there are military police on both sides of me. Their uniforms

are either black or some dark color that was nearly black. They have red emblems on the shoulders and near their front pocket to one side of thier chest.

I am captured!!!!!!

#### Chapter 7:

I am taken to interrogation. I am escorted into a large room with tall ceilings. It felt underground to me. There is a cubicle in the room. I am to go in there. It was a small room with no windows and only one entrance but seemed empty inside of it. As I am escorted toward this room, I look and see a table where our high officials in military men are seated, but to my horror, there is another seated there. He is an alien. He is ashen, small and has a big head and huge eyes, but these eyes appear similar to a cats. They would narrow into slits when it was light and open to black when it was dark. When I walked past him, I felt tremendous fear.

#### Chapter 8:

I am in the cubicle. I am enclosed and kneeling on my knees. I can no longer see the door. It is invisible to me from the inside. All there are is 4 metal walls. There are no speakers/sound system inside this cubicle. No one is talking to me with their voice outside of it, but they are using mental impressions and speaking to me with their minds. First, the words are soothing and calm telling me to relax my mind. "Relax. This is a journey. Don't be afraid to relax and let your mind wonder. We want to teach you to travel with your mind." I think now about Jesus. I struggle to stay my mind on HIM! I am saying his name mentally over and over, "Jesus. Jesus. Jesus."

My thoughts are intruded upon by the wicked's voices again, and now it is stern and yells, "Don't think about Jesus. He can do nothing! He is nothing! Relax your mind and let it go!!"

I scream as tears run down my face as I make the statement that will soon mean I shall die, but I will be finally free from their torment, "I WILL NOT DENY MY LORD JESUS!!!!!!"

END of dream

2 Thessalonians 2:9-12 Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish: because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness."
